

PRESIDENTS PAGE

Friends!

I am delighted to address you on the occasion of the release of Volume 19 of the ISHWM Journal, the official publication of the Indian Society of Hospital Waste Management. As the President of ISHWM, it is with immense pride and enthusiasm that I share this significant milestone with all of you.

The ISHWM Journal has long been a beacon of knowledge and collaboration in the field of hospital waste management. This issue, like its predecessors, stands as a testament to our commitment to advancing the safe and sustainable management of healthcare waste in India and beyond.

Our mission has always been to foster knowledge exchange, encourage research, and promote best practices. With this in mind, I call upon all our members, researchers, and experts to actively engage in our cause. Share your expertise, collaborate with peers, and contribute to the evidence base that underpins the safe and sound management of hospital waste. Your contributions can drive meaningful change, not only within our organization but also in healthcare facilities across the country and the world.

I extend my heartfelt appreciation to our authors, reviewers, and readers who have made the ISHWM Journal a success. Your dedication and commitment are the driving forces behind our continued progress in this vital field.

As we move forward, let us reaffirm our collective commitment to excellence in hospital waste management. By working together and actively participating in the journey ahead, we can achieve our vision of a safer, more sustainable future for healthcare waste management.

I wish you all an inspiring and informative reading experience with Volume 19 of the ISHWM Journal. Thank you for your unwavering support, and here's to a future where we make significant strides in ensuring the safety of healthcare workers, patients, and our environment.

Sincerely,

I am sure you shall all become life members and join hands with us to be leaders in HCWM.

Professor (Dr) Ashok K Agarwal,
President, ISHWM
Former Director & Professor IGNOU,
Adjunct Professor IIHMR Delhi
